

## Government Commission Vrilia

### Greetings at the Turn of the Year 2013/2014

The reactions so far to the demands made in our New Year's Wishes 2012/2013 to end the Second World War and re-establish the sovereign German Reich with the long overdue Peace Treaty have shown the necessity for further releases of the der Vrili technology as absolutely imperative.

The gang-style behaviour by the Minister-President Matthias Platzeck (SPD), the Minister of Justice Dr Volkmar Schöneburg ("Die Linke") as well as by the Attorney General in Brandenburg Dr Erado Rautenberg has not unexpectedly led to the fact that Mr Platzeck had to resign from the post of Minister-President and has to forgo to stand for a candidacy for the 2014. The Minister of Justice Dr Schöneburg has – equally foreseeable – just a few days ago had to declare his demission, what in the media was seen as the greatest judiciary scandal in Brandenburg. The future of the Attorney General will be decided in 2014. Compare the complete documentation "Brandenburgische Justiz No. 8",

A meeting with the present Minister-President Dr Dietmar Woidke to clear up the situation concerning the Sealand GmbH & Co. KG, reference number AG 35IN71/99, was declined.

We have informed the airlines Lufthansa, Air Berlin, Swiss and Lauda Air that a further release of Vrili technologies would demand a mandatory revision of all electronic systems used in aviation to assure the safety of air traffic.

Since the Federal Government under Dr Angela Merkel is not for the interests of the German Reich, the Government Commission VRILIA, represented by Johannes W. F. Seiger, feels compelled to take this step.

Further we will compel the UNO, in order to prepare for the Peace Treaties with the UNO States that until today are in a state of war with the German Reich, to delete first of all the intervention clauses ("Enemy State Clause") in Art. 53 and 107 of the Charter.

We wish all citizens of the German Reich, all Europeans and all people in the world of good will a healthy and successful New Year 2014.
