**Re: Sealand Trade Corporation, District Court Potsdam, AZ 5-T-531/08**

Dear Prime Minister!

I am referring to my several early letters in which I had requested that you would live up to your political and judiciary responsibility. Unfortunately you did not deem it necessary to address this matter personally. Instead you had one of your staff members relay to me that one would refuse to go into this matter and would ignore further correspondence.

To make things easy I attach copies of my earlier letters in the matter District Court Potsdam, AZ 5-T-531/08.

I ask you to grant me a personal clarifying discussion. I am prepared to meet your time schedule. In this manner I am looking forward to hearing from you within the next ten days.

Should my hitherto negative experiences repeat themselves, I would be forced to publish a complete documentation on the internet. Then apparently it would seem that only in this way it would be possible to exert a legitimate pressure for the procurement of an adequate reaction.

Yours respectfully

Johannes W. F. Seiger
