Dear [Mr Rivola](#),

as you may gather from our correspondence with [Mr Bernie Ecclestone](#) from 2012/2013 (attached), we are complying with his expressed wish to give all Formula 1 teams equal chances and to offer them official access to the [Vril Technology](#).

The [Sealand Generators](#) ([Vril Technology](#)) are not trading goods and thus may not be bought.

If a collaboration is envisaged, we offer you as a first step receiving two generators (one set) against a security deposit of 10.000 ([tenthousand](#)) Euro for a minimum of three, maximum five years.

Contract partner is the [Sealand Trade Corporation](#) (VAT ID Number: DE164906133), state-owned company of the [Principality of Sealand](#), represented by [Mr J. W. F. Seiger](#).

If you are interested, please inform us accordingly before February 20, 2013.

The contract details should be mutually decided.

For a first contact please get in touch with the undersigned at the coordinates given below.

For more information please visit on our website:

Dear Mr Thoenen,

Thank you very much for your e-mail.

Despite we find your products very interesting, we are currently not interested in getting them for the moment.
We will keep your contact for the next future.

Best regards
Massimo
